Galatians 6v6-10

6 Those who are taught the word must share in all good things with their teacher.

7 Do not be deceived; God is not mocked, for you reap whatever you sow. 8 If you sow to your own flesh, you will reap corruption from the flesh; but if you sow to the Spirit, you will reap eternal life from the Spirit. 9 So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up. 10 So then, whenever we have an opportunity, let us work for the good of all, and especially for those of the family of faith.

Why does Paul bring up money?
How do you benefit?
How do others benefit?

What does money have to do with the question, "Is Jesus' way of being human and anything goes kind of way?"?

V6 - Why do we have teachers? Doctors? A sewer system? Dental hygienists? And thousands of other vocations?

What's are the benefits of a prioritized, planned percentage?

V7 - How are you using your income to invest in your ability to follow the way of Jesus?
- How are you using your income to invest in other people finding and following Jesus?

V8 - What percentage of your income are you living on?
- If you are married, to what extent have you agreed on a percentage?

V9-10 - What if Paul has in mind what amounts to a grand sociological experiment and its success depends upon far more than intellectual belief in the risen Jesus?

Where do you go from here?

How might God be inviting you to invest more in developing the mind, and character, of Christ?

How might this morning be about you hearing "thank you" as you know you play a role in creating in Helena the very thing Paul was hoping for in his letters to the Galatians?

How might God be inviting you to begin to make planned, priority, percentage giving a part of your spiritual practices?
